## ***Expanded Services. Better You.***

### **Coming this Fall**

### ***New Southington Location Coming Soon: 167 Main Street, Southington***

With a continued commitment to bring high quality care as close to home as possible for all those in the communities we serve, we are proud to be expanding our services in Southington, moving into our new home of 167 Main St. this fall. Available services in Southington will include primary care, cardiology, OB/GYN, orthopedics, podiatry, pulmonology, sports medicine, urology and lab services.

### ***New Staff Pharmacy at Bristol Hospital***

Beginning in 2020, employees and dependents covered under a Bristol Health medical plan will be able to fill most maintenance medications (90-day supply) at the Hospital Pharmacy located on level B in the hospital. These drugs can be obtained under the POS plan for a \$0 co-pay. Under the high deductible plan, the cost of drugs would be based on a discounted rate. Once your deductible is met, your cost will be \$0.
